Sauna

Jacuzzi® Infrared Saunas are engineered with full spectrum (near, mid and far) front-facing IR heaters, along with Red Light therapy. Enjoy a comprehensive sauna experience in a single sauna session.

Hot Tub

Our most advanced hydrotherapy is in the FX-IR Seat, combining full-back and neck hydromassage with near Infrared and deep Red Light therapy on the lumbar region of the lower back.

Swim Spa

Jacuzzi Swim Spas deliver unmatched hydrotherapy after an intense swim. The FX-IR seat is developed to deliver precise, spiraling hydromassage to the back and neck, with IR + Red Light therapy on the lower back.
